PART 7

Area Traffic Alert and Transportation Authority Update

The Regional Transportation Authority will begin repairing and replacing signs on Highway 675 in January. The new signs are designed to be more reflective and thus easier to read. They will also be better located.

Most of the activity will entail partial closures of thruway lanes at night when the traffic volume is lowest. Vehicular traffic during the daytime will not be affected. The work is expected to last six to eight weeks; all scheduled activities are weather dependent.

5. What is the purpose of the notice?

- (A) To warn about increased traffic
- (B) To outline work-zone safety tips
- (C) To describe an improvement project
- (D) To announce plans for a new highway

6. What is a feature of the new signs?

- (A) They will last much longer.
- (B) They come in many colors.
- (C) They are significantly larger.
- (D) They offer improved readability.
